General correspondance

- 1) Hywel Dda Health University Health Board.

Launch of a formal consultation on the transforming of clinical services aimed at making health and care better for Communities Event planned for Wednesday 25th April at St Peter's Civic Hall. 6:00 for registration starts at 6:30 prompt. This event is not open to the public , but there is space for up to 2 Community Councillors to attend

- 2) Request for funding .from H.Coole

I would like to ask for Grant Funding of £50 to go towards signage promotion for the Tywi Valley Open Studios Arts Trail. This would help direct people to the village to see the Open Studios and could attract visitors to the Pen Y Bont Inn and generally to look around our lovely village and the surrounding countryside. Its a great way to promote Llanfynydd (village and parish) as a thriving community. It will help support the arts in the area and encourage artists who work at home to become more involved in their community with a focus on this 9 day long arts trail.

- 3) Active Spaces is a new programme to secure recreational spaces in perpetuity and support community activation. Funded by The London Marathon Charitable Trust and delivered in partnership by Fields in Trust. The programme has £5k grants available to fund activity projects particularly for the inactive on parks, playing fields and other green spaces to be protected in perpetuity by Fields in Trust.

Parks and green spaces have an important role to play in helping deliver the activity agenda as they provide the settings for entry-level activity. People don't suddenly start playing sport in a formal setting, they walk, jog, cycle or play – and they need safe local green spaces to do this.

Please note only the landowner can apply and the deadline for applications is June 8th. There is more information [online](#) or contact Fields in Trust Cymru on 02920 334935.

- 4) Letter of thanks from Reading Room Cwrt Henri .
