Correspondence received to date 01 /12 /2019

General correspondence.

1) email from WG Appropriate Sum under Section 137(4) (A) of the Local Government Act 1972

Section 137 Expenditure Limit for 2020-21 .

2) reply from S. Quick regarding road way sign replacement . (Capel Isaac)

Unfortunately the revenue budget for replacement signs has been fully utilised this year.This sign will be placed on the ever growing list of replacement signs for inclusion next year.I should however point out that allocation of the limited resources is based on a priority basis and as the Highway inspector has pointed out there is adequate signing in the vicinity already.

3) pothole at Pantglas / Pengoytre reply ; the pothole has been recorded during routine inspections and will be filled by the mobile gang tomorrow (20th November), further more permanent patching is required and will be carried out when finances and labour become available.

4) reply received re Pantmawr, Llanfynydd: I received a report of this Highway support issue back on the 12th of September from Sion Lewis Highway Inspector. I have since instructed one of the Bridge Inspectors to go out and carry out an initial inspection of the reported defect and he has reported back his findings. Having looked at the photos I have instructed the Inspector to issue a work instruction to the area office to rectify the existing defective verge that affords support to the classified road number C2053.

I would advise that a Works Instruction was issued to the area maintenance team on 15th October and that work has been programmed for end of December or sooner if the construction gang becomes available. Remedial works will included reinforcement mesh in the road and carriageway reconstruction together remedial works to the verge area.

5) Royal British Legion Remembrance wreath invoice.

6) OVW training invoice £40 (Bursery)

Planning

None received
