- 3) Reply from CCC regarding crash barrier at Pantdderwen .Unfortunately the budgetary and financial situation has not improved and this section of vehicular restraint as indicated by the assessment undertaken by our Consultancy section has a very low priority rating and as such is unlikely to be replaced in the near future. I will arrange for an inspection to be undertaken and any collapsed barrier/post causing an obstruction will be removed

We will monitor the situation at this location and undertake remedial work if required, when resources and budget become available.
