## Highways / Footpath . –

- 1) Cwm Gelli Fawr Junction - I would inform you that a STOP sign can only be considered if the location meets the criteria laid out in the Traffic Signs Manual Ch3. In line with the criteria we must consider the junction visibility and traffic speeds, therefore, bearing this in mind we will arrange for the necessary surveys to be undertaken and once these are complete a decision may be made as to whether or not the junction meets the criteria.
